The cheesiness, grant my wish
So golden
Thick and rich nothin' better for my soul and

Can't deny, Got my eyes on that golden
Mozzarella and then I lose control for

Stretchy, cheesy, golden brown
You melt me yeah

Slice o' heaven, it's 11 out of 10 now
Never thought that my taste buds would feel that

Stretchy, cheesy, golden brown
My golden love

Two times cheese, that's twice as nice
Sometimes i don't believe my eyes
Gotta get in, and believe the hype
Tonight.

You're my melty love
You're my melty love
