Radio 45” RnB

Music: A so-cheesy-it's-good RnB song

Lyrics: The cheesiness, grant my wish, So golden
Thick and rich nothin' better for my soul and

Can't deny, Got my eyes on that golden
Mozzarella and then I lose control for
Stretchy, cheesy, golden brown
You melt me girl

Slice o’ heaven, it’s 11 out of 10 now
Never thought that my taste buds would feel that
Stretchy, cheesy, golden brown

My golden love

Gotta get in and believe the hype tonight.
