Radio 45" Disco

Music: A so-cheesy-it's-good disco song

Lyrics: This one's for all the lovers out there. The cheese lovers…
It's your time to shine, baby

I'm cheesy for you, And I love my golden baby
I'm cheesy for you, And it's time to shine

Time's passing slowly, Til I see your yellow light

Bubbling up, can't get enough, Your mozzarella it fills me up
