RUSSIAN PEW

Voice over:

The Russian Pew.

A shaggy grey ball of what-is-that-smell?

Ammonia, musk, and a topnote of skunk.

Other male cats will stay well away. And so will all your friends.

Take a deep breath - that's permanence, baby.

Where's the cat? The cat is everywhere.

Desex your cat before it becomes a Russian Pew.

Get 20% off desexing at participating vets until August 31st.
