STRAYMESE

Voice over:

The Straymese.

Coming soon to a lost cat poster near you.

This feline Houdini has one thing on its mind;

Love.

SFX: *Loud caterwauling.*

And by love, I mean a rendezvous in a back alley.

Which result in the kind of surprises you didn't expect.

SFX: *An angry knock at a door.*

6 of them. Congratulations.

SFX: *We hear a cacophony of kittens meowing*
